French - Pre Intermediate (A2)

About me

I am looking forward to starting a new stage in my life, starting working as a frontend developer in a company, I have boundless ambitions to be an extremely good specialist in this field. Talking about my capabilities... I am a very communicative person, I love talking to other people and generally being part of a friendly collective. My hobby has become programming and all the free time I have, I use it to develop my professional skills
